

First, we both go out your way and the vibe is feelin' strong
And what's small turned to a friendship, a friendship turned
to a bond

And that bond'll never be broken, the love will never get lost
And when brotherhood come first, then the line'll never be
crossed

Established it on our own when that line had to be drawn
And that line is what we reached, so remember me when
I'm gone

Woi cino sипит!

Thank you for being my “realest friends” for the last at least seven years. It feels like more than a brotherhood. I hope this bond lasts until the day we leave this world. Everything suddenly moved too fast no more “ayo nongki, ayo badmin, ayo nonton, ayo ke PTC” for a while. inget kalo parkir handbreak di netral dulu baru pindah ke P haha. And the last thing, please stay who you are and don’t change buddy.

No goodbyes here, just a “see you again.”

Take care bro until that day comes. -J0
